

wheeled armored vehicle

Specifications :

Detail Introduction :

chassis	4x4 military off-road chassis
engine model	SOFIM 8142. 45 inline four-cylinder, water-cooled, direct inject intercooled diesel engine
engine maximum power	95KW73600rmin(3.0L)
fuel consumption	15L/100km
The number of vehicle operators	2+7 people
Vehicle curb weight	4500kg
Maximum loading mass	1000kg
total mass	5500kg
Maximum trailer weight	1500kg
Outline dimensions (length width x height)	5275mmX2260mmX2540mm
vehicle maximum speed	100km/h
Maximum grade	>60%
Turning diameter	15m
wading depth	0.75m
Fuel tank capacity	124L
